

GRUPPO FERRARI ^{SRL}

ENERGY AND OIL & GAS COMPANY

Global services - Operation & maintenance
Offshore and onshore - Skids and package

Installazione e manutenzione di impianti elettro-strumentali
per l'industria petrolifera, petrolchimica ed energetica

Company Introduction

GRUPPO FERRARI SRL

ENERGY AND OIL & GAS COMPANY

Global services - Operation & maintenance
Offshore and onshore - Skids and package

Installazione e manutenzione di impianti elettro-strumentali
per l'industria petrolifera, petrolchimica ed energetica

For twenty years, much of our Team Work, work steadily in Oil & Gas, Energy production using central gas turbine, turbo steam and gas power plants in the petrochemical sector, starting with partial and general mechanical revisions from us performed on various types of Gas and steam turbines, centrifugal compressors, gearboxes, generators and reducers; continuing with electro fitting on board machine, including the path and wire laying and wiring in the control room, calibration tools, DCS, PLC programming, Precommissioning - Commissioning and Start-Up.

We have a logistic department and materials storage of about 500 square meters, in Via Pag, 15 in Ravenna and an operative department in the area of San Vitale Port in Ravenna, made up of about 10.000 square meters of open area and 5.500 square meters of workshops and covered areas.

We also have all the necessary equipment for the proper conduct of the work for which we propose, by means of lifting and handling equipment (forklifts, cranes, truck crane), yard tools and personal equipment for every worker.

Currently our workforce counts 52 Employees regularly employed :

- 8 Employees (management, security, quality, purchasing and sales, technical director)
- 44 Services (skilled workers, technicians, Programmers and foreman)

The average turnover is about € 4.500.000,00

per l'industria petrolifera, petrolchimica ed energetica

Hereby we submit to your kind attention the most significant experiences of our Society and Team Work :

- 1992 - Romania : On behalf of Ansaldo Company
Nuclear Power Stations, Cernavoda Yard
- 1992 – Romania : On behalf of Acel Company
Engineering, Supervision, Pre-Commissioning, instrumentations start-up of
B.O.P.
- 1995 – Costa D'Avorio : On behalf of. Ansaldo Industrie Company - Milan
Thermal Power Plant , Vridi Abidjan Yard
- 1995 – Costa D'Avorio : On behalf of Ansaldo Industrie Company - Milan
Engineering, Supervision, Assembling and start-up Burner Automatic
Systems.
- 1997 – Kuwait : On behalf of Snamprogetti S.p.A. Company - Milan
Polyethylene Plant, Al Shuaiba yard.
- 1997 – Kuwait : On behalf of Equate Petrochemical Company KSC
Engineering, Assembling and Supervision Electrical-Instrumental for control
room.
Commissioning and start-up.
- 1999 – 2001 Italia : On behalf of Tozzi Sud S.p.A. Company
Endura Plant – Enichem (Ravenna)
Engineering, Electrical and Instrumental Assembling, Wiring and Electrical
Panel Supply for Control Room.
- 2001 – 2003 Irlanda : On behalf of Tozzi Sud S.p.A. Company
Customer Support, Electrical and Instrumental Assembling, Commissioning
and Pre-Commissioning.
- 2002 – 2003 Italia : On behalf of Tozzi Sud S.p.A. Company
Porto Tolle Plant (RO)
Engineering and Revamping of power and control lines, custode support and
Electrical and Instrumental Assembling

GRUPPO FERRARI SRL

ENERGY AND OIL & GAS COMPANY

Global services - Operation & maintenance
Offshore and onshore - Skids and package

Installazione e manutenzione di impianti elettro-strumentali
per l'industria petrolifera, petrolchimica ed energetica

- 2002 – 2003 Italia On behalf of Franco Tosi Meccanica S.p.A. Company - Milan
Incinerator of Trezzo D'Adda – Milan
Posizionamento, Allineamento, Montaggio e conseguente Allestimento
Elettrostrumentale. Turbina, Riduttore e generatore. Con Fornitura e
Montaggio di Quadri e Strumentazione di Sala Controllo. Supervisione ed
Avviamento Impianto.
- 2003 – 2006 Tunisia (Korba), India, Venezuela, Svizzera (Ruswill, Lucerna), Qatar
On behalf of G. E. Nuova Pignone Company
Electrical/Instrumental Engineering, Supervision and Customer Support of
Board Machine and Control Room for Coogeneration and Drilling Plants.
- 2007 – 2011 Italia : On behalf of Tozzi Sud S.p.A. (JV SKEMA TOZZI) Company
Electrical / Instrumental assembling and Engineering for LER Control Cabins
Customer : AGIP-KCO, KASHAGAN Oil Plant.
- 2007 – 2011 Italia : On behalf of Rosetti Marino S.p.A. Company
Engineering and Electrical / Instrumental Assembling on Skids and Control
Cabins.
- 2011 – 2014 Italia : On behalf of De Pretto Industrie S.p.A. Company
Engineering and Skids Assembling.
Customer : Petrofac
- 2011 – 2014 Italia : On behalf of Rosetti Marino S.p.A. Company
Piomboni Yard, Marina di Ravenna (RA)
Electrical / Instrumental Assembling on Elettra Platform Deck.
Hook – Up on Barbara, Fauzia & Elettra Platforms.
- 2014 Italia : On behalf of Fores Engineering S.r.l. Company
Skids Assembling.
Customer : Petrofac
- 11/2014 – On behalf of Honeywell UOP Company
Jazan Refinery and Terminal Project
Hydrogen and Gas Treatment Skids
Customer : Aramco

GRUPPO FERRARI SRL

ENERGY AND OIL & GAS COMPANY

Global services - Operation & maintenance
Offshore and onshore - Skids and package

Installazione e manutenzione di impianti elettro-strumentali
per l'industria petrolifera, petrolchimica ed energetica

- 03/2015 – 07/2015 : On behalf of Rosetti Marino S.p.A. Company
Engineering and Construction for On Shore Turbo Gas Package
Customer : GE France (Egypt)
- 01/2015 – In Progress : On behalf of Fores Engineering S.r.l. Company
Installation and Construction of 24 Skids FPSO
Customer : Petrobras e Technip France
- 07/2015 – 08/2015 : On behalf of. Fores Engineering S.r.l.
Construction and installation nr. 12 WHCP
destination Kazakistan.
- 07/2015 – 03/2016 : On behalf of Honeywell Group
Construction and Assembling nr. 6 Gas Plant
Project Kupl Kuwait
- 03/2015 – 06/2016 : On behalf of Gruppo Honeywell
Construction and Assembling nr. 2 Hidrogen Plant
Project Sha Gas for Saudi Aramco
- 04/2015 – 08/2016 : On behalf of Lewa Srl
Construction and Assembling Chemical Injection
Project Rapid
- 03/2016 – in progress : On behalf of Fores Engineering S.r.l.
16 WHCP – Hidraulic Electric Panels – Project KARACHAGANAK
Destination Kazakistan
- 07/2016 - 09/2016: On behalf of. Fores Engineering S.r.l.
Wellhead Control Panel – Project KARACHAGANAK
Destination Kazakistan
- 08/2016 – 10/2016 : On behalf of Lewa Srl
Construction and Assembling Chemical Injection
Project Star
- 10/2016 – 12/2016 : On behalf of Fores Engineering S.r.l.
Installation and Construction Control Cabinets – Sub Sea
– Platform Generator
Project Zhor
- 01/2017 – 02/2017: On behalf of Honeywell UOP.
6 BEDS – Polybed PSA Unit
Project Efra Project Lotos Asfalt

GRUPPO FERRARI SRL

ENERGY AND OIL & GAS COMPANY

Global services - Operation & maintenance
Offshore and onshore - Skids and package

Installazione e manutenzione di impianti elettro-strumentali
per l'industria petrolifera, petrolchimica ed energetica

Our Know-How is focused on many years of experiences, in several plants constructed by our team-work. Our Knowledge includes activities on interface Connections, Input / Output Systems, for :

- D.C.S.
- P.L.C.
- E.S.D. Current Ring Supervision System
- Optoelectronic, Electropneumatics
- Multiplexing Digital / Analogic U.C.N. / L.C.N., via coaxial cable
- Switching, Power and Pneumatic Actuators
